## **January Program – How to Carve a Nose by Don Worley**

It will be a hands-on carving class. Bring a knife, a glove, and, if you have them, bring ¼” and 3/8” number 9 gouges. These will make your results so much better. Have everything well-sharpened. Don will bring a couple extra #9’s that some can use. Don will bring the basswood.

We will use the zoom camera and big screen to show how Don does it.

Dick Belcher might bring a couple extra gouges in case someone wants to buy one.

## **Who we are. What we do.**

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires you. We break for coffee and cookies, and then have a program. It might be a “how to” demonstration or a presentation of something related to wood or carving. Ideas flow.

If you have questions please contact Marshall Stearns at (937) 837-0728 or [emstearns8@gmail.com](mailto:emstearns8@gmail.com).

## **Temporary restrictions for meetings as directed by Dennis Grant, Executive Director of United Rehabilitation Services**

We must park on the north side of the URS building (which people refer to as “the alley”) and enter directly into the Vocational Room on the north side of the building.

If necessary, the single stall restroom in the hallway outside of the Vocational Room can be used.

Those who are not vaccinated must wear a mask. If you have been vaccinated, you are not required to wear a mask unless you enter into a hallway or common area since there will be staff present. We will not be checking you as you come in the door, but just request that you be honest as to your vaccinations. Thank you.

**Next Dayton Carvers Guild Meeting:** Tuesday, January 25th, 6:30 pm at United Rehabilitations Services Building, 4710 Troy Pike (at Needmore Road), Dayton, Ohio. Meetings are at 6:30 pm on the 4<sup>th</sup> Tuesday of the month except there is none in December.

### **Bring Your Best Carving Patterns**

Do this for the January meeting. Bring some of your favorite carving patterns for giving away. The intent is to have a sort of kid's baseball cards exchange except, instead of baseball cards, it will be carving patterns. You give some and take some, and all are better for it.

### **Results of the Big November Ornaments Contest**

Seventy one ornaments were given. These go to United Rehabilitation Services and then to their clients.

We set them out on a table for all to see. Each attendee got three chits to use for voting. Mary Hammond won, Terry Borger got second and Ed Johnson's ornament got third.

### **New Members**

Dan Richardson, Jerry and Mandy Sowder, we are delighted to have you.

### **The Club Library**

At the January meeting we'll talk more about what's in it and hopefully what to do with it.

### **Carvers Luncheon at Marion's**

The carvers, friends and grandchildren meet for lunch at Marion's North Piazza. At our last Marion's luncheon I never saw so fine a population. We were honest because there was nothing to steal, sober because there was no drink, no misers because there was no money and we were all industrious because it was either carve or starve.

Join us if you can. It's always at noon every first Wednesday of the month at Marion's North, 3443 North Dixie Drive in Dayton.

### **At the November Meeting**

Don Stephenson won the Show & Tell drawing and chose a detail knife.

Bruce Henn won the 50/50 drawing.
