Who we are. What we do.

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners. All are welcome.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires you. We break for coffee and cookies, and then have a program. It might be a "how to" demonstration or a presentation of something related to wood or carving. Ideas flow.

Artistry in Wood is a world class two-day show exhibiting wood carving and woodworking art, selling it, selling tools and wood, plus a competition. We put on this show.

March Visitors

We were pleased to have Doug Kohlen from Kettering, Al & Penny Tapp from Highland and Nick Harvey from Beavercreek.

March Show & Tell Winner

Don Worley who declined and permitted a new member; Doug Kohlen to select a handmade detail knife.

Next Dayton Carvers Guild Meeting: Tuesday, April 23rd, 6:30 pm at United Rehabilitations Services Building, 4710 Troy Pike (at Needmore Road), Dayton, Ohio. Meetings are at 6:30 pm on the 4th Tuesday of the month except there is none in December.

Cookie Contributors: Tina Hammond and Jim Reboulet

Larry Yudis, RIP, Big Dog

Larry Yudis passed away March 17, 2019 at the age of 72.

He was a strong supporter of the AWC/International Woodcarvers Congress & carving events across North America. His commitment to the carving community made a difference in the carving world as we know it.

He owned the Woodcraft Shop in Bettendorf, Iowa and he set up at our Artistry in Wood Show every year. He will surely be missed by many.

The Woodcraft Shop in Bettendorf, IA has since been sold To Hummul Carvings Co. based in Beloit, WI. We assume they will set up at the Artistry in Wood show in October.

A Treasure of Carving Info on the Web

There is a website that lists carving clubs by state & carving shows, it shows lots of pictures and it has a magazine. Our club and Artistry in Wood are included. You may present your carvings for sale on the website. It comes from the decoy carving world but it covers all kinds of wood carving. Check it out at www.worldofdecoys.com. It's huge.
