### **May Meeting:**

Due to tornados damaging parts of the Miami Valley, on Monday May 27<sup>th</sup> the May meeting was canceled. So, Rich Richmond will do his program this month.

### **June Program:**

Blacksmithing by Rich Richmond  
Rich will show a video and talk about blacksmithing.

### **Marion's**

(by Marshall Stearns)

When the servers at Marion's heard the click-click of expensive designer high heels they knew the carvers were coming. As always, the chip carvers snuck in last, trying to blend in with the bird carvers. Carvers, their friends and grandchildren enjoy lunch together every first Wednesday of the month at noon in Marion's North Piazza. Marion's North is at 3443 North Dixie Drive in Dayton. Join us if you can.

### **Who we are. What we do.**

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners. All are welcome.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires you. We break for coffee and cookies, and then have a program. It might be a "how to" demonstration or a presentation of something related to wood or carving. Ideas flow.

Artistry in Wood is a world class two-day show exhibiting wood carving and woodworking art, selling it, selling tools and wood, plus a competition. We put on this show.

**Next Dayton Carvers Guild Meeting:** Tuesday, June 25th, 6:30 pm at United Rehabilitations Services Building, 4710 Troy Pike (at Needmore Road), Dayton, Ohio. Meetings are at 6:30 pm on the 4<sup>th</sup> Tuesday of the month except there is none in December.

**Program:** Rich Richmond

**Cookie Contributors:** Sandy Czajka and Don Mertz

### **A Treasure of Carving Info on the Web**

There is a website out there that lists  
carving clubs by state, carving shows, it  
shows lots of pictures and it has a  
magazine. Our club and Artistry in Wood  
are included. You may present your  
carvings for sale on the website. It  
comes from the decoy carving world but it  
covers all kinds of wood carving. Check it  
out at [www.worldofdecoys.com](http://www.worldofdecoys.com) . It's  
huge.
